After-School and Saturday Workshops

The Resource Center will be CLOSED Saturday, April 7, 2012

Illinois Prairies, Gr. 3-8

The Illinois Department of Natural Resources offers supplemental, Illinois-specific resources to assist you in teaching about the prairies that once covered the majority of our state. Come to this workshop and learn about the lessons, CD-ROMs, posters, resources trunk, grants and other items that are available to you. You’ll participate in some hands-on activities and will take many educational materials with you to instantly implement in your curriculum. All materials are correlated to the Illinois Learning Standards. Two CPDUs will be available.

Saturday, April 21, 2012
10:30am-12:30pm
Valerie Keener, Administrator, Division of Education
Illinois Department of Natural Resources

One Page Books

During this make and take workshop, participants will make easy books using one page of paper. These books are simple to make and ready for classroom implementation. Each participant will receive a cd with instructions to help replicate books in their classrooms.
